– Harvest Festival –

Arte Útil archive nr:
500

Initiator:
Grizedale Arts

Location:
United Kingdom

Category:
politics, economy, environment,
social

Users:
Church and village community of
Coniston.

Maintained by:
Village church

Duration:
2010

Description:

The old tradition of a harvest meal and festival was revived by a community dinner and frozen meal distribution created from donations in the village of Coniston.

Goals:

To reinvigorate the harvest dinner tradition by producing freezer meals for the elderly, made using local produce.
To bring together different groups in the village.

Beneficial Outcomes:

A community day of cooking, a large scale village dinner production, and distribution of 200 freezer meals for the elderly.
